Program:	Prosthetic and Orthotic Devices
Documents Affected:	Numbered Memo 06-107 Prosthetic and Orthotic Devices
Effective Date:	January 1, 2007
Summary:	When HRSA published the Numbered Memorandum 06-107, on pages C.42 – C.44, there were discontinued codes that did not indicate the crossover codes to be used in place of discontinued codes. HRSA has corrected this information. The system and policy have not changed; this was a simple publication error.
